THUCYDIDES *on the*
OUTBREAK of WAR

CHARACTER & CONTEST

Thucydides on the Outbreak of War: Character and Contest

This exciting new study belongs on the bookshelf of any serious historian or political scientist who wants to better understand the origins of the Peloponnesian War and the intellectual process of one of history's greatest historians.

S. N. JAFFE

essential reading for classicists and ancient historians as much as for social scientists

**Graham Allison, Professor
of Government, Harvard
Kennedy School**

**Neville Morley, Professor in Classics and
Ancient History, the University of Exeter**

Round Table mit dem *Autor* (John Cabot University, Rom), *Ryan Balot* (University of Toronto), *Christian Wendt* (FU Berlin) u.a.

**am Montag, 13. November 2017, 10:00 c.t., Topoi-Haus Dahlem,
Hittorfstr. 18, 14195 Berlin**
